Item No.: WH #2

SUBJECT: THE MILITARY SITUATION IN SOUTH VIETNAM

SECRET NO FOREIGN DISSEM

25X1A2g

Communist military activity remains high in the northern coastal areas, the western highlands, and in the area north of Saigon. In addition to offering stiff resistance to South Vietnamese retaliatory actions and counter attacks, the communists have increased their shelling and rocketing of government military bases and positions on these fronts. The lack of progress by South Vietnamese operations has prompted several rotations and reinforcement of combat units, but they still have not made any significant gains.
